INSTRUCTIONS FOR SIZING YOUR CHILD:

1. Please fill out one form per student.
2. Use a soft measuring tape (available at sewing/fabric stores) to measure the Bust, Waist, Hips and Girth.
3. **Select a size that will fit your child suitably in June 2018.**
4. BUST – measure over the fullest part of the chest with arms relaxed at the side.
5. WAIST – measure where the waist naturally indents.
6. HIPS – measure around the fullest part of the hip and buttock while standing with feet together.
7. GIRTH - place the measuring tape on the center of shoulder, run through crotch and up the back to the same starting point on the shoulder. **The girth is considered the most important measurement for ensuring the costume fits lengthwise.**

GIRTH measures the circumference of the torso.
